The CBA Law & Debate Club sponsors lectures and activities for young men and women from Chicago-area high schools between the ages of 14 and 20 who are interested in careers in law and government. The Club's programming is coordinated by volunteer attorneys who meet with students every other Wednesday evening from September through April and facilitate role plays concerning legal and ethical questions.

The programming features guest speakers from all facets of the legal profession and aims to help students improve important life skills, including public speaking, negotiation, debate and advocacy skills. At the conclusion of the year, participating students who have attended at least 10 program sessions will receive a certificate of completion. **There is no cost to participate.** Space is limited.
