Zoom Tournament Guide

Chicago Debates
2021-22 Season

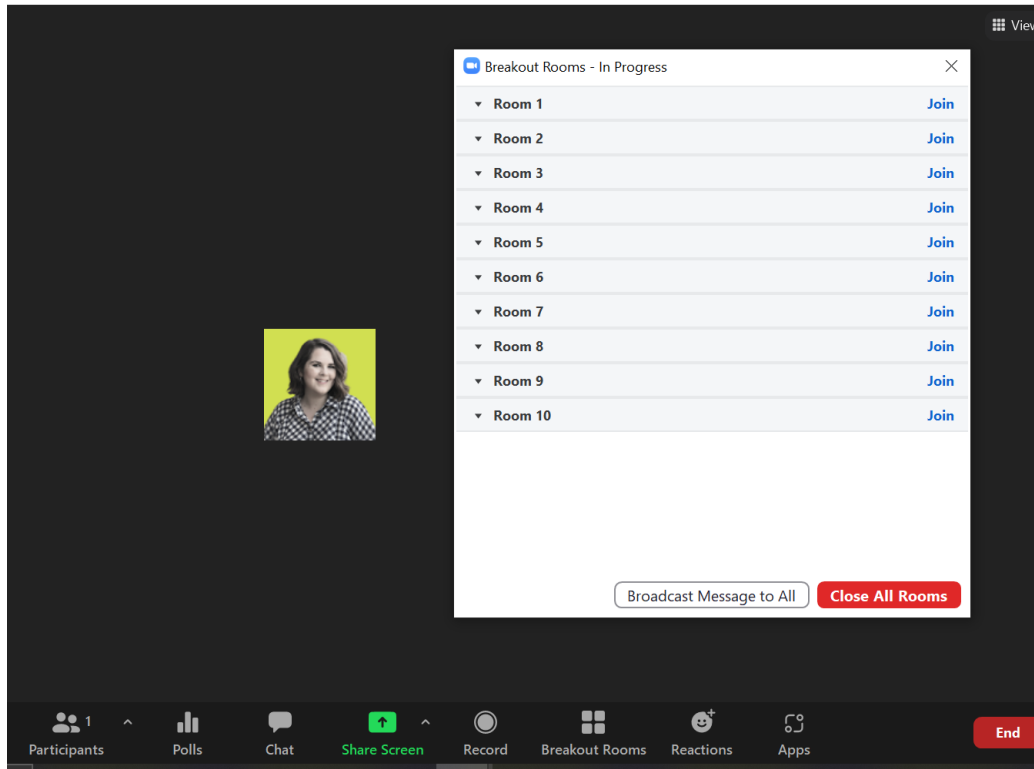

For the '21-'22 school year tournaments will be hosted on Zoom. Upon joining the Zoom link everyone (coaches, volunteers, and students) will enter through the main room. This will be the central meeting point of the tournament. The Judges Lounge and Tab room will be hosted in separate GoogleMeet rooms to allow for privacy. These links will also be shared prior to the tournament day.

CHICAGO DEBATES

Today's Debaters. Tomorrow's Leaders.

When rounds are ready to begin, the Tournament Director will launch all breakout rooms. Students, coaches, and volunteers will be able to self-select which room they'd like to join. To find your assigned room the breakout room number will be listed on both the Tabroom pairing notification and pairing sheet.
